On-Site Support (Key Business Strategy):

We offer on-site repairing support for Desktop, Laptop and Printer as well as support for a wide range of hardware. We aim to provide you with the highest possible level of customer service. When you call us we assign you with an experienced technician who can provide you with an 'end-to-end' resolution to your problem. Our technician will assess your situation, before recommending a course of action. If it is necessary to buy new parts or software then technician will install these and ensure that you have a working system. Rest assured that Clear Intentions keeps track of your support history so that we can maintain the continuity of care that you expect and trust.
